Sports and Extracurricular Activities

West Generation Academy and West Leadership Academy believe that a healthy and active student body is a vital component of academic success. As a result, both schools encourage their students to participate in sports and extracurricular activities. All students attending West Generation and West Leadership have the opportunity to play for the historic West Cowboy athletic teams and participate in extracurricular activities such as debate, theatre, ROTC and music. The combined athletic and extracurricular programs provide students with a competitive experience similar to a large high school, but in a small-school environment.

Offerings include: Football, Track & Field, DECA, ROTC, Soccer, Baseball, Volleyball, Golf, Wrestling, Glee Club, Swimming, and Tennis.

West Campus Transportation

Middle school students living west of I-25 to Sheridan, from 6th Avenue south to Custer, will be provided DPS transportation. Students living east of I-25 and in the West Campus boundary within the 2.5 mile walk zone will not receive transportation.

High school students living west of I-25, from 6th to Custer, will receive transportation in the form of DPS transportation or RTD passes as determined by transportation policy. Students living east of I-25 and in the West Campus boundary within the 3.5 mile walk zone will not receive transportation.

For more information about transportation, visit http://transportation.dpsk12.org or contact one of our schools.

At the West Campus, middle and high school students have access to these opportunities, and much more.

Home to West Generation Academy and West Leadership Academy, the West Campus offers two distinct academic programs designed to meet student needs, while also providing students with the opportunity to be part of the rich history of Denver West. Families who live in the West-area shared boundary have the unique opportunity to select and attend either West Generation or West Leadership.

Focus on what matters most...
West Generation Academy

Grades offered for 2014–15: 6–11

West Generation Academy (WGA) offers middle and high school students experiential learning opportunities in the classroom and through off-campus internships designed to prepare them for college and a successful career. WGA actively partners with institutions like the Community College of Denver to allow students the opportunity to earn college credit while still in high school. At West Generation, we teach our students to dream bigger, work harder and care more.

Key Features

- Two 90-minute Foundation courses daily in Humanities and Mathematics
- Three 90-minute Studio courses daily in subjects including Biology, Chemistry, Physical Education, Art, Music and Multimedia Art
- Daily 45-minute advisory period focused on college prep and the development of critical academic, social and emotional skills
- Intensive month-long projects twice a year during which local businesses, nonprofits and professionals share their expertise, supporting career and college-level skill development
- Small class sizes allowing for customized instruction and guidance

Curriculum Info

- Extended school day and year — 200 days, 8 hours per day
- 150 students per grade
- 40 days of in-depth college and career exposure activities every year
- Free dual-enrollment opportunity with the Community College of Denver
- Blended-learning classrooms that allow students to work independently on computers and in collaborative small groups

More Opportunities in 2014–15

Next year, West Generation will be an Early College High School. Students will graduate earning a two-year associates degree from the Community College of Denver, which will transfer to four-year universities like the University of Colorado and the University of Denver. This new program will give all WGA students the chance to jumpstart their college career and save thousands of dollars, while still in high school.

Extracurricular Activities

West Leadership firmly believes that group activities help students become well-rounded individuals and aid in the development of strong academic and social skills. As a result, WLA students are offered a range of clubs, from those that support health and fitness, to groups that expand the mind. Clubs and social activities occur daily and include student government, a media club, photography, environmental awareness, a school newspaper, yearbook, yoga and much more.
